

# Welcome

## Selamat Datang!

We are delighted that you have chosen to stay with us while holidaying on the mystical island of Bali.

Whilst you are here we invite you to experience one of Asia's most unique spas - **PRANA**. A world of divine opulence and a relaxed and exotic atmosphere awaits you at Prana Spa, Prana Spa Private Suite and Chill Reflexology and Acupressure.

PRANA - A word from ancient Sanskrit, meaning breathe, life & vitality of Spirit. Take a deep breath, inhale the energy and exhale all tension at Prana Spa.

Prana Spa was created with the understanding that only when mind, body & spirit are in harmony can optimum health be achieved. This belief underlies all of our services & natural product lines. Be nurtured for an hour, a morning, an afternoon or even a full day. Why not try any of our treatment and enjoy the remarkable and visible results and of course our new Private Suite an experience not to be missed.

Our dedicated & internationally trained therapists deliver a unique, relaxing and memorable spa experience from our extensive range of treatments and pampering packages.

Please contact the spa team directly to arrange a complimentary consultation and tour of the spa. Simply phone #321 or #312 so we can assist in customising your spa journey.

Whether you are seeking relaxation or rejuvenation our team at Prana Spa, Prana Spa Private Suite and Chill Reflexology and Acupressure are looking forward to seeing you soon.

Kind Regards,

**Prana Team**

## Welcome to Prana Spa

# Welcome

## *Selamat Datang!*

Chill Reflexology located in Seminyak, Bali, part of Impiana Private Villas Seminyak, situated 100 meters from Prana Spa and in front of Impiana Private Villas Seminyak VME accommodation section. The contemporary clean-line design creates a cool, calming atmosphere which promotes a feeling of total balance, harmony and rejuvenation.

Chill has rapidly earned itself the distinction of being the island's leading Reflexology and Acupressure Centre providing guests with the benefits of this ancient healing art to stimulate the body's natural healing abilities and restore balance. Reflexology can be used to help restore and maintain the body's natural equilibrium. This gentle therapy encourages the body to work naturally to restore its own healthy balance.

Reflexology has been shown to be effective for back pain, migraine, infertility, arthritis, sleep disorders, hormonal imbalances, and digestive disorders and stress related conditions. Reflexology does not claim to cure, diagnose or prescribe.

### *Who can benefit from reflexology?*

Reflexology is suitable for all ages and may bring relief from a wide range of acute and chronic conditions. After you have completed a course of reflexology treatment for a specific condition, many people find it beneficial to continue with regular treatments in order to maintain health and well-being. While many people use reflexology as a way of relaxing the mind and body and counteracting stress, at the same time many doctors, consultants and other health care professionals recognise reflexology as a well established, respected and effective therapy.

With ever increasing levels of stress, it is important people take more responsibility for their own health care needs. Reflexology helps us to cope on a physical, mental and emotional level thereby encouraging us to heal and maintain health in all areas of our lives. Take the Chill experience home with our range of Chill products featuring our signature scent of peppermint and sweet orange, Chill soap, foot lotion and T – shirt.

The world will recede as you relax to the sounds of your own music system and drink a refreshing herbal beverage while experiencing Chill's unique Zen tranquillity. Our guests love the aroma of Chill's signature peppermint and sweet orange lotion. This product and its soap equivalent are available for you to purchase in Chill reception.

Please take a few moments to select one of the four treatments on offer, dial #321 or #677 to make an appointment with one of our Chill team members.
